Quality Roof Seamers and Trey Hutchens Racing To Partner At NASCAR Gander RV & Outdoors Truck Series Contest at Texas Motor Speedway

By Shelby Park Marketing (Huntersville, NC) – Trey Hutchens Racing (THR) is proud to partner with Quality Roof Seamers, an industry-leading supplier of state of the art electric self-propelled metal roof seamers for the NASCAR Gander RV & Outdoors Truck Series SpeedyCash.com 400 at Texas Motor Speedway.

Boasting over 15 years of experience building and servicing its market-leading tools, Quality Roof Seamers products are trusted globally by manufacturers and distributors alike. The Olive Branch, Miss. based organization has associate placement on Hutchens' no.14 Chevy Silverado for the upcoming Oct. 25 contest at Texas Motor Speedway.

“Quality Roof Seamers is built on the foundation of integrity and commitment,” said Quality Roof Seamers owner Robert Lytle. “We feel no driver better represents these values than Trey. His dedication to the THR program reminds us there’s no better motivator than passion, a mindset that our organization proudly shares.

Hutchens, a 22-year-old full-time mechanical engineering student at North Carolina State University, is a distinguished prospect amongst the NASCAR ranks, having been awarded the NASCAR Southern Modified Tour “Rookie of the Year” in 2015 as well as back-to-back “Most Popular Driver” honors in 2015 and 2016. Hutchens also has six career NASCAR Gander RV & Outdoors Truck Series starts under his belt, netting a career-best finish of 16th at Michigan International Speedway.

“I’m extremely excited to kick off our partnership with Quality Roof Seamers at Texas Motor Speedway. Their company represents a lot of what THR does, family-owned and hard-working,” Hutchens said. “I’m looking forward to hitting the track and providing them with a strong run on race day.”

The SpeedyCash.com 400 at Texas Motor Speedway is set to air on FS1 at noon on Sunday, Oct. 25.
